## CITY TO BEGIN SUPPLEMENTAL LEAF PICK-UP PROGRAM

This service allows residents to rake leaves onto the **PARKWAY** in front of their homes on scheduled dates for pick-up by the city crews.

Before your collection:

- **TO AVOID FINES PLEASE DO NOT RAKE LEAVES INTO THE STREET.**
- Place leaves in a narrow pile or row in the grassy area between the sidewalk and curb.
- If your area is without curbs, place the leaves within **5-feet** of the street.
- Avoid raking leaves into ditches or drainage swales.
- **To avoid towing do not park your vehicles on the street on scheduled pick-up dates.**
- Leaves must be raked **onto the parkway** by 7:00 A.M. on the dates scheduled.
- Once your street has been cleaned, the City crews will not be back until the second scheduled date.
- Plastic bags **may not** be used and **no unauthorized** containers.
